06/25/2009: I grew up listening to Michael, he is one of the reasons why I love music...
I recorded this groove because I just love to listen to The Jacksons Live album and I've been doing it for years.
I dedicate this video to Michael.

Thank you Michael,
Rafael Dolinski =(

A quick clip from one of my favorite grooves ever, "Shake your body down to the ground" from The Jacksons.
The hi-hat openings are great and I've been trying to get this groove right for a long time. Ed Greene recorded the original drums for this song.

This is another great version from "The Jacksons Live" with Jonathan Moffett playing drums: Dolinski
